CORPORATE TEAM

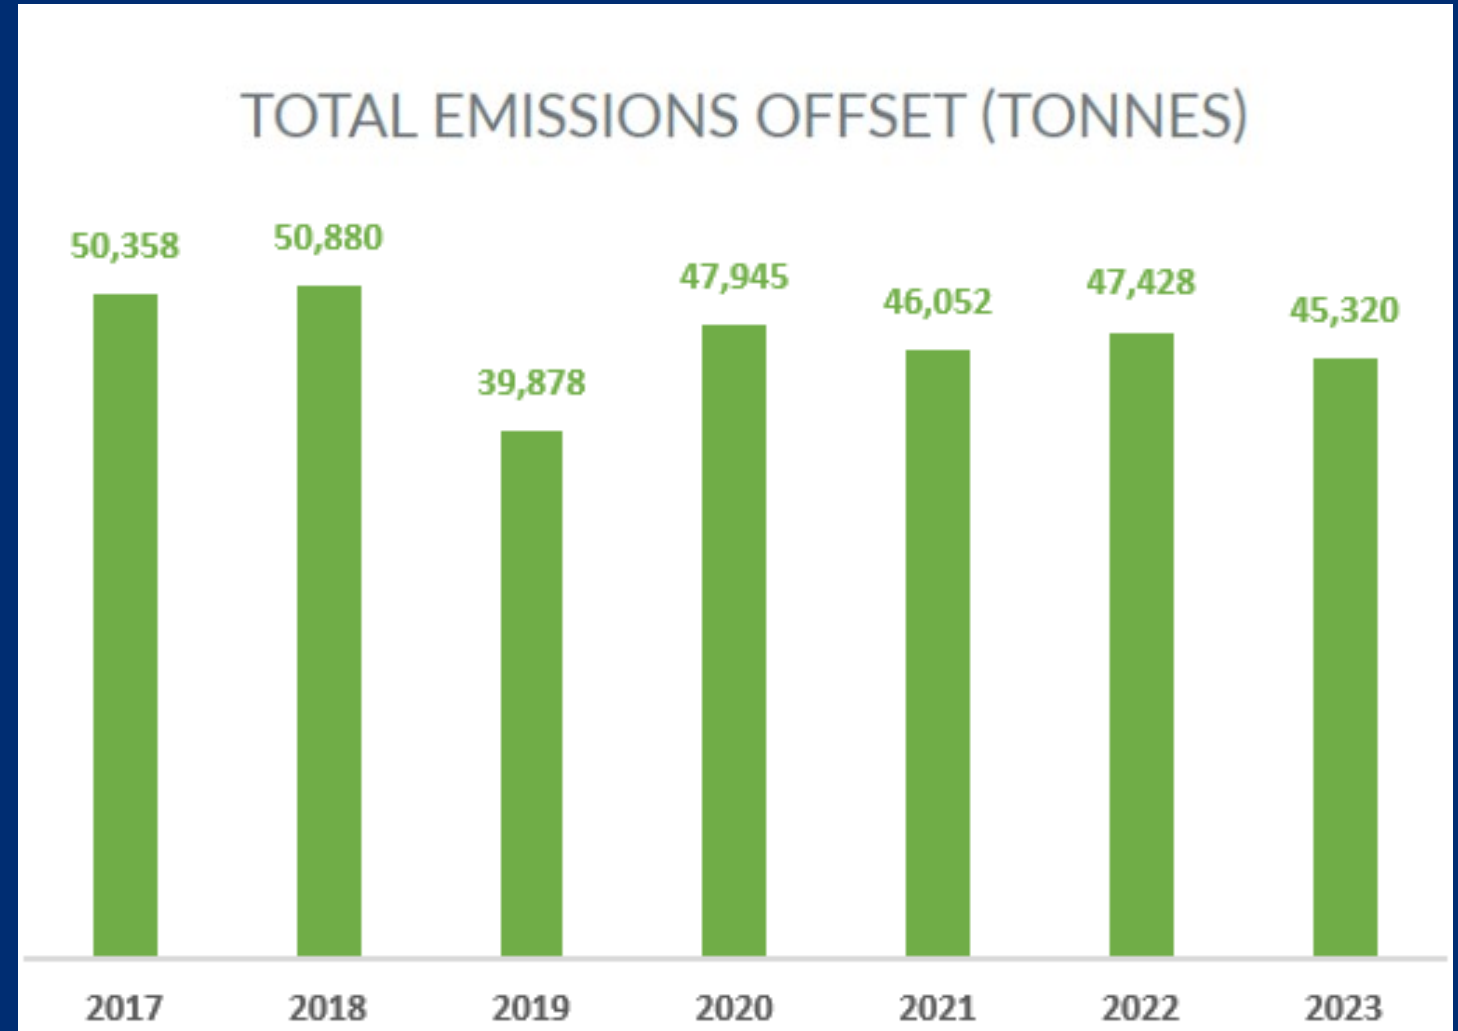

SUSTAINABILITY SNAPSHOT

- In 1995, our '**Environment, Health & Safety**' (EHS) department was implemented for the whole group.
- In 2001, it became mandatory for every company to be **certified** to the globally-recognised ISO14001 and ISO45001 standards.
- In 2011, we became the first industrial company in South East Asia to become **carbon neutral**.
- In 2022, we published our first **Sustainability Report**:

CARBON NEUTRALITY PROGRAMME

- We have offset over 640,000 tonnes of CO2 emissions since 2011
- Various emission reduction initiatives including:
 - Solar panels on manufacturing facilities
 - Substitution of fossil fuels through renewables
- We continue to actively seek innovative solutions to reduce our environmental impact

SOCIAL RESPONSIBILITY

'Meet a Need' Programme

- Combines corporate volunteering with funding for projects that meet specific social or environmental needs in the ASEAN region
- 500+ employees since 2007
- 25,000+ hours spent volunteering
- >30 communities
- SGD 6 million+ invested by Jebsen & Jessen

DISASTER RESPONSE

'Save the Children' Partnership

- Provides critical support and funding to communities affected by disasters in the ASEAN region
- 1,000+ people helped since 2020
- Emergency relief goes to improving mental health, increasing access to COVID-19 vaccines and providing essential supplies to displaced children

Making a difference in the lives of children in disaster-stricken areas of countries like Philippines, Indonesia and Myanmar.
